Only the upper few floors have these larger lanais, yet the maintenance fee is the same as the lower apartments. Beautiful mountain/city/Punchbowl views from the 32nd floor. Lanais, entry, kitchen, and both bathrooms are all tiled. Recently renovated amenities are truly resort-style with modern infinity-edge pool, large hot tub, resurfaced tennis court (with pickleball lines for multi-use), BBQ grills, children's pool, meeting room, and lush landscaping. Freeway access is just minutes away plus the Honolulu business district, Ala Moana and Waikiki just a short drive away. Priced \$16,400 under tax assessed value but the price reflects the fact that a buyer would likely want to renovate the apartment as cabinets are all original. Recent building upgrades include complete plumbing pipes replacement, exterior painting, and replacement of 5th floor recreation deck. **Sale Conditions:** None **Schools:** [Lincoln](#), [Stevenson](#), [Roosevelt](#) * [Request Showing](#), [Photos](#), [History](#), [Maps](#), [Deed](#), [Watch List](#), [Tax Info](#)
