Public Remarks: A'ali'i is the best value in Kaka'ako! Gorgeous & new, w/ amenities like the most luxuriously priced buildings, yet much more affordable. A'ali'i was designed by SF architect, Solomon Cordwell Buenz, who also designed Anaha, so it's no wonder that A'ali'i rivals those in Ward Village's 1st row. This 05 Ewa-facing, PET-FRIENDLY unit is fantastic, looking over the recreation deck and not into the side of another building. You get a feeling of space, w/ city, mountain, and ocean views from the lanai. The 2105 interior has been meticulously maintained, w split AC, & luxury plank flooring & carpet in the bedroom. Internationally-renowned Rottet Studio outfitted the well-designed kitchen w/ integrated Bosch appliances, full height cabinetry, & natural stone counters, for modern appeal. A'ali'i features two amenity decks. FLOOR 42 incl. a penthouse-level sky deck w/ panoramic ocean views, fitness center, yoga room, & public & private gathering spaces. There's another ~acre amenities at FLOOR 8, including a pool & spa, kids play area & pool, many private cabanas & BBQs, a great lawn, & indoor-outdoor event rooms.
