Public Remarks: What's not to love? This unit has been completely renovated from head to toe with a new kitchen, bathroom, flooring, paint, appliances, and fixtures. Just pack your bags and move right in! But what makes this ground floor unit extra special is that the parking stall is located directly in front of your front door. No more fumbling with your grocery bags as you try to avoid eye contact waiting for the elevator. But wait... There's more! The building recently completed a plumbing restoration project and the large assessment to the unit has already been paid off. You won't be late to any parties in town since all the good spots are just a short drive down the hill.
